

**Memorandum of Understanding Between  
Department of Chemistry and Nanoscience  
at Ewha Womans University  
And**

**School of Chemical Sciences, Goa University, Goa, India**

Department of Chemistry and Nanoscience, Ewha Womans University and School of Chemical Sciences, Goa University, Goa, India have agreed as follows, recognizing the importance of establishing a close cooperative relationship between the two parties, with a view to the further development of both organizations.

**1. Exchange of Research Personnel**

Both parties will exchange personnel in the fields of mutual interest, and the number of personnel to be dispatched, the purpose, time and period of dispatch, and other terms and conditions thereof shall be decided on a case basis after mutual consultation.

**2. Exchange of Technical Information**

Technical information in reproduced form of periodicals, books, non-proprietary reports and other references shall be furnished when specifically requested by each party.

**3. Promotion of Joint Research**

Research activities will be conducted and promoted jointly when the staff of each organization finds it mutually beneficial. The subject and content of such activities will be discussed and reviewed in advance through mutual consultation.

**4. Maintenance of Secrecy**

One party shall not disclose to any third party any confidential information of the other party or of mutual activities.

## 5. Effective Period of This Memorandum

The effective period of this agreement shall be 5(five) years starting from the date of signing. In the event one of the parties desires to extend the effective period, it may be extended after mutual consultation and agreement.

## 6. Interpretation of Terms

In the event doubts should arise in the interpretation of the provisions of this agreement or problems about matters not described therein, both parties shall consult with each other and settle them amicably in the spirit of this agreement.

IN WITNESS WHEREOF, each of the parties hereto has caused this agreement to be executed in duplicate by its duly authorized officer, and retains one each of the duplicate texts having equal authenticity.
